■ INTRODUCTION

Wel-come to the world of Samay Agrotech Pvt. Ltd, A pioneering force in the sector of manufacturing cleaning and milling machinery, with innovation at its core and a commitment to quality, Samay Agrotech has consistently delivered cutting-edge solutions to meet the needs of the agricultural and food processing industries. Today, we explore the story of their remarkable journey.

■ FOUNDATION

Founded in 2016, Samay Agrotech emerged as a visionary enterprise, driven by the passion of Mr. Dignesh Patel, Mr. Chirag Patel and Mr. Shashi Patel are the founder. The objective was clear - to revolutionize the agro-processing sector by crafting advanced machinery that would enhance efficiency and productivity while maintaining uncompromising quality standards.

■ THE SAMAY PHILOSOPHY

The core philosophy at Samay Agrotech is to provide technology that empowers farmers and food processors, thereby contributing to the overall betterment of agriculture and food production. With this code in mind, they embarked on a relentless journey of innovation.

■ PRODUCT RANGE

Samay Agrotech has huge range Multipurpose Seed Cleaning Plant, Multipurpose Cleaning Sortex Plant, Multipurpose Dal Mill (Pulses) Plant, Atta Chakki Plant, Besan Mill Plant, Peanuts Processing Plant, Roller Flour Mill Plant.

■ QUALITY ASSURANCE

Quality is non-negotiable at Samay Agrotech. Each machine undergoes rigorous testing and quality checks before reaching the customers, guaranteeing reliability and durability. This unwavering commitment to quality has earned them the trust of customers around the globe.

■ GLOBAL PRESENCE

Samay Agrotech's excellence has transcended boundaries. Their machinery is not only sought after in India but also finds a global audience. With a presence in Sri Lanka, Nepal, Nigeria, Kenya, Tanzania, Sudan, Australia and multiple countries, they have establish themselves as a symbol of cutting-edge agro processing technology.

■ INNOVATION

Innovation is the driving force behind Samay Agrotech's success. They consistently invest in research and development, striving to introduce advanced features and technologies that redefine the standards of the industry. This dedication to innovation has garnered them numerous awards and honors.

■ COMMITMENT TO SUSTAINABILITY

Samay Agrotech is acutely aware of its environmental responsibility. Their machinery is designed with energy efficiency in mind, reducing waste and promoting sustainable practices in agro-processing.

In a world where the demand for efficient and sustainable agro-processing is ever-increasing, Samay Agrotech Pvt. Ltd. stands as a beacon of hope. Their journey, built on innovation, quality, and commitment to excellence, continues to shape the future of agriculture and food production.

We Samay Agrotech Pvt. Ltd., are not just manufacturing cleaning and milling machinery but redefining the very essence of agro-processing. We look forward to witnessing the continued growth and impact of this remarkable company in the years to come.
